

Financial Terms for Service Providers to FWF Global Services BV – Turkey 2024

This document explains the financial terms for all parties (service providers) contracted to work for FWF Global Services BV on a daily or hourly basis.

Remuneration

FWF Global Services BV pays a standard daily fee in €, depending on the kind of work to be done (category A, B,C, D) and the country where the service provider is based (Turkey), as specified in the contract. Fees can only be paid based on agreements made in advance.

The daily fee will be reviewed each January to reflect changes in the cost of living. In case a country shifts to a lower category, service providers who have worked with FWF Global Services BV before will continue to be paid the same fee as they used to get.

Remuneration will be done per day, using the standard maximum daily fee, unless the number of hours worked on a day is lower than 8. Occasional overtime is inherent to the job and is included in the fee.

FWF Global Services BV trainers/auditors who have worked continuously with FWF Global Services BV for more than 3 years and less than 7 years, AND have done at least 5 audits/trainings each year will get a bonus of 12 Euros added to their daily fee.
